PREFACE

The Office of Student Activities and Leadership provides comprehensive programs that compliment the University's academic initiatives and enhance the total educational and living experience of students. Student Activities and Leadership advances this goal by sponsoring lecture, cultural and entertainment programs; cultivating student leadership opportunities; and developing various activities with nearly 90 diverse student organizations.

This directory lists the student organizations that have registered this year, and offers contact information.

Please note: This directory is current as of October 2009. Since student contacts for groups change frequently, please check with the Student Center Information Desk for updated information.

STUDENT ORGANIZATIONS

A.C.E. (Association of Campus Entertainment) - Brings a wide variety of programs to campus, including lectures, films, concerts, and other kinds of student entertainment. Office information: SC 328, 315-229-5866.

Sarah Holden

CMR 983

srhold07@stlawu.edu

Advisor: Jessica Willis

STARTING AND REGISTERING YOUR ORGANIZATION

Information on how to start a new organization or how to seek SLUSAF funding is provided in a specially developed packet available at the Student Center Information Desk.

All groups are reminded that they must register with the Office of Student Activities and Leadership at the beginning of each semester in order to be officially recognized by the University. These registrations maintain current information on student organizations for dissemination to the campus community. Such updates also allow proper communication with the Office of Student Activities and Leadership. In addition, registration is required before any University facility can be reserved for use. These special registration forms are available at the Student Center Information Desk or on our web site at www.stlawu.edu/activities.
