## 2011 Seniors

**Elena Rogers** has been a very instrumental player as an attacking midfielder. Proven as a 4 year impact player and determined offensive threat. In her sophomore year, Elena had scored a pivotal goal against William Smith which lead to a tie game in Geneva, NY. Elena, who is most commonly known as “E” by her teammates, has been a strong 2 way player contributing to both the attack as well as the defense. “E has a lot of energy on the field”, said head coach Franco Bari, “Although she had a bit of a slow start in her freshmen year, she has been relentless going into tackles and has an uncanny ability to propel herself into the attack, which has always made her dangerous. Her drive on the field and persistence will truly be missed”.

**Career Statistics: Games Played-68 Goals-10 Assists-16 Points-66**

**Marcelle Justison** has continued a successful season as a Saint after fighting back from several injuries. Known for her pace down the wing and her dangerous service, Justison has proven to be dangerous as an offensive player. “Marcelle is a player with a lot of passion”, said coach Bari “I have always enjoyed coaching her and her contributions to the teams’ offensive success have been outstanding. Although Marcelle had been fighting through injury this season, she has worked hard to push forward which is a true sign of her character”.

**Career Statistics: Games Played-63 Goals-10 Assists-11 Points-23**

**Betsy Lucas** finished a successful career known as a technical midfielder, Betsy has been known not only as a strong ball winner but also a talented distributor. Says coach Bari, “I have always been impressed with Betsy’s ball control and often scratch my head in amazement when she pulls off her moves. Although she only has four goals to her name, they will always be 4 extremely memorable goals for me personally. Betsy has been a good person with good intentions and a lot of desire. I’ve really enjoyed coaching her”.

**Career Statistics: Games Played-66 Goals-4 Assists-2 Points-10**

**Devon Shatkin** is a 2 year captain of the Saints women’s soccer team and has been a key player on the defensive back line. With 2 game winning goals to her name, “Devo” (as her teammates call her) was a solid back bone in the defensive line. Says Coach Bari, “Devon has unquestionably been a large part of our teams’ success. She is a true leader in every sense of the word and her development as a player as well as a person and has made me so proud to have been her coach. Her level of competitiveness, insight and ability to relate to her teammates will be missed”.

**Career Statistics: Games Played-53 Goals-5 Assists-2 Points-12**

**Katherine Polido**, also a 2 year captain, has been known for her dangerous services and strong 1 v 1 defensive play. “Katherine is relentless”, said Coach Bari “she has a never gives up mentality, has played through a lot of animosity and has been a fierce competitor. She has always been committed to her fitness as a top scorer in our evaluations and her 1 v 1 abilities have been strong in both practice and in games. We will never forget her and hope she always remembers us. We will miss her level of competitiveness tremendously”.

**Career Statistics: Games Played-71 Goals-1 Assists-17 Points-19**

**Lou Lou Wheeler** has been a 4 year member of the Saints women’s soccer team. She scored her 1<sup>st</sup> career goal as a junior at the Wellesley Classic Soccer tournament and has played in 14 games. “I will never forget that goal”, said Coach Bari “It was a clear statement of perseverance and persistence. Lou was our team manager her freshman and sophomore year. When given the opportunity to have a different role as a player, she whole heartedly took advantage of it. She has a heart of a lion and her work rate has been outstanding. While Lou’s career ended in injury, the mark she has left on this program will live on. She has been an inspiration for everyone, including myself”.

**Career Statistics: Games Played-14 Goals-1 Assists-0 Points-2**

**Amanda Chase** played in 3 career games with a 0.00 goals against average. Said coach Bari “It has never been difficult for me to explain how instrumental Amanda has been with this team. As apparent as it is, she had limited playing time on the field however, every single practice, every single day, every single moment, Amanda was working hard and taking advantage of the opportunity to be a member of a collegiate soccer team. I am so proud to have seen her develop and work hard through all four years. There is no question that she will be missed”.

**Career Statistics: Games Played-2 GA – 0 GAA- 0 Saves-0 Save %- 0.0 Shutouts- 0**

**Abby van Geldern** has been a 4 year starting goalkeeper for the saints. As a captain Abby recorded 25 shutouts with a record of 36-23-9. “Abby will be in the St. Lawrence Record Books for sure”, said Coach Bari “but what those books will not show are her best qualities. Abby is a game ready competitor with a lot of passion and heart. In all honesty, throughout the years Abby has grown into a great role model, a voice of inspiration and has certainly left a positive mark on not only the women’s soccer program but also the St. Lawrence Community as a whole”.
