

SAINTS MEN'S SOCCER

Sandy MacAllaster Field

Sandy MacAllaster Field (top) is adjacent to the Saints practice fields.

Sandy MacAllaster Field (center) is mowed for and ready for an upcoming game. The Saints soccer field is adjacent to the new baseball facility, T. Fay Field. Also nearby is Newell Field House, Saint Softball Field, and the practice football field. Across from Newell is Leckonby Stadium, which houses Weeks Field for football games and the nine-lane Merrick-Pinkard Track. North Country Field, St. Lawrence's all-weather turf field is next to the track, and at the far left of the photo is Appleton Arena, home of the St. Lawrence University men's and women's hockey teams.

Fan seating at MacAllaster Field is on the east bank of the field. The Saints regularly draw large crowds for home games with standees ringing the field. The field is bermed to cut the wind and includes sheltered team benches and a press box.
