-Students on international programs must have passports valid a minimum of 6 months beyond the end of the program. New passports cost \$165 and require 2 passport photos.

-The Center for International and Intercultural Studies (CIIS) has binders with student feedback on the money they spent while participating in each program, including recommendations on where to go and how to save money.

* Permanent residents and international students will need a visa for Senegal (\$20) and may need a visa for Canada (spring program only)

s/recruitment on campus/additional costs
