

Spring 2007 Workshop Series

**Teaching INTRO Courses in Your Discipline:
Problems and Prospects**

**Do you teach a 100-level course?
How do you activate students' understanding of and
passion for your field?
What teaching strategies and materials are most effective?**

**Please join colleagues to
discuss these topics and the questions below.**

Intro Students: Who Are They and What Do They Expect?

Featuring a Student Panel

Friday, February 9, Noon-1pm

**What Are Our Goals for Reading Assignments and
How Do We Know They Are Met?**

Wednesday, February 28, 3:30-4:30pm

**Can Our Intro Courses Teach Writing
Rather Than Just Assign It?**

Wednesday, March 14, 3:30-4:30pm

Intro Faculty: How Can We Raise Students' Expectations?

Friday, April 13, Noon-1pm
