From the CTL, take Park Street towards the village. At the stop light (main intersection of town) take a left onto Route 11 (Main Street). Continue straight through two more lights, passing the Cascade Inn on your right. (Note: Route 11 merges with Route 68 at the Cascade Inn intersection—do not turn at this intersection, continue straight.) Directly after the Cascade Inn, turn right at the first street (Stillman Drive), then take a left onto Wells Street. Look for the white, raised ranch on the right, 12 Wells Street.
