Proposal 1

I am requesting funds to travel to the National Social Science Association Technology and Social Science Conference sponsored by the National Social Science Association, April 10-12 in Las Vegas, Nevada. The conference is organized around the theme of “blending technology and the social sciences.” My paper “Web Design as Pedagogy” has been accepted for the program.

Travel costs:

Transportation	500
Room	400
Food	120
Registration	205
Total	1225

I am requesting \$500 from Mellon Funds.
