Public Admissions overlap (5)	67.7%	66.5%	67.0%	66.3%	67.4%	66.4%

6-Year Graduation Rates

SOURCE: AGB

6 year graduation rates are based on the number of completers within 6 years divided by the adjusted cohort size. Adjusted cohort size is the set of entering students for a given year, minus students who "fell out" of the cohort "for reasons beyond the control of the institution (death, service in the armed forces, etc.)"
