

This year block housing will consist of suites, triples, quads, and clusters or blocks of doubles and singles. Students may apply in groups of 2, 3, 4, 5, 6, or 7. Decide what size your block will be and complete the appropriate section below. **Students may only apply for one block size.** Blocks may be co-ed, but roommates must be the same gender.

2 person groups – may select a 2 person suite in Hulett or Jencks. There will be two of these available and each has 2 single rooms.

3 person groups – may select a 3 person suite in Hulett or Jencks (there are two available; each consists of a single and a double) or a triple. Triples are available in Dean Eaton, Sykes, and 25 College. Some triples have their own bathroom.

4 person groups – may select a 4 person suite in Hulett or Jencks, a quad, or a 4 person block. Quads are available in Dean Eaton and Sykes. 4 person blocks are available in 62 Park, 25 College, Priest, Gaines, Hulett, and Jencks and consist either of 2 doubles or a double and 2 singles.

5 person groups – may select a 5 person suite in Hulett or Jencks or a 5 person block. Suites are available in Hulett and Jencks. Blocks are available in Sykes, Dean Eaton, Gaines, Hulett, and 25 College and consist of various combinations of doubles and singles.

6 person groups – may select a 6 person block. Blocks are available in Gaines, Priest, Jencks, and 25 College and consist of various combinations of doubles and singles.

7 person groups – may select a 7 person suite in Hulett or Jencks.

Since placement is based on an averaged lottery number, blocks cannot be increased or decreased in size by applicants after submitting an application. Because placement is based on an averaged lottery number, all members of a block housing application must accept the housing assignment. If one student declines, the entire block must decline and continue on in a different room draw process.

Please note the following:

- Single rooms cost an additional \$575.00 per semester.
- All residences are smoke-free.
- Members of a suspended/closed organization, team, group, or house may apply for block housing. However, students from these groups must be less than 50% of a block.
