Attn: Sherrie Kelly, (315) 229-5019

This evaluation is due November 13th. The deadline for submission of the evaluation letter is crucial since the selection committee cannot act without this information. Late return of this form and the accompanying letter will jeopardize the student’s chance of acceptance.

Faculty perspectives on students applying for off-campus programs are very helpful to the selection committees. The committees need frank evaluations and insight into a student’s capacity to gain from, and contribute to, an off-campus program. In your letter, please evaluate the student to the best of your knowledge, addressing the points listed on the reverse side.

- How long and in what capacity have you known the applicant?
- Motivation, seriousness of purpose, initiative
- Intellectual curiosity, openness to new ideas and experiences
- Attendance, performance in class, ability to meet deadlines
- Quality of thought and expression
- Ability to work cooperatively with others; tolerance of different opinions and points of view
- Independence and self-reliance
- Other points you think relevant

Please e-mail recommendation to skelly@stlawu.edu by November 13th.

This is to ensure that you are aware of the students' wishes with respect to access to the evaluation.

This evaluation is due November 13th previous to study in the spring. The deadline for submission of the evaluation letter is crucial since the selection committee cannot act without this information. Late return of this form and the accompanying letter will jeopardize the student's chance of acceptance.

Since St. Lawrence's off-campus programs have significant co-curricular dimensions (e.g., home stays, internships, educational travel), it is helpful for selection committees to have information about students outside the classroom. In your letter, please evaluate the student to the best of your knowledge, addressing as much as possible the following points or any others you think relevant.

- How long and in what capacity have you known the applicant?
- Motivation, seriousness of purpose, initiative
- Ability to work cooperatively with others, tolerance of different opinions and points of view
- Reliability, punctuality
- Independence and self-reliance
- Intellectual curiosity, openness to new challenges and experiences
- Other points you think relevant
