Multiples Room Draw Application

Application Deadline:
Wednesday, March 30th by 5:00 p.m. to Residence Life Office
Student Center 230, reslife@stlawu.edu
You must attach a blue lottery card for each applicant

Students may apply in groups of 2, 3, 4, 5, or 7. Decide what size your group will be and complete the appropriate section below. **Students may only apply for one group size.** After submitting your application by March 30th, your group must then attend multiples room draw on Friday afternoon, April 8th to choose a housing location. The room draw will be at 1pm in Eben Holden.

**Group Coordinator Information**

This year multiples housing will consist of suites, triples, quads, and designated clusters or blocks of doubles and singles. Students may apply in groups of 2, 3, 4, 5, or 7. Decide what size your group will be and complete the appropriate section below. **Students may only apply for one group size.** Groups may be co-ed and double rooms may be co-ed, but triples and quads cannot be.

**Please note the following:**
- Single rooms within blocks and suites cost an additional $805.00 per semester.
- Suites may be co-ed, and doubles within suites can be. Quads and triples cannot be co-ed.
- Residence Life reserves the right to conduct judicial reviews of those who apply for multiples room draw. Groups may be excluded if individuals have exhibited problematic behaviors.
- Members of a suspended/closed organization, team, group, or house may apply for block housing. However, students from these groups must be less than 50% of a block.
- The specific spaces available for multiples room draw are subject to change prior to the room draw due to the outcomes of earlier housing processes (such as special needs, theme housing, and lifestyle floors). Below is an estimate of where spaces may be available. Specific details will be available at room draw.

2 person groups – may select a 2 person suite in Hulett or Jencks or a 2 person apartment in 48 Park. We anticipate there being two suites and four apartments available. Each suite consists of 2 single rooms (single room fee applies), a bath, living room, and kitchenette. Each apartment consists of a double room, a bath, living room and kitchenette.

3 person groups – may select a 3 person suite in Hulett or Jencks (there are two available; each consists of a single and a double) or a triple. Triples may be available in Dean Eaton, Sykes, 13 University, 62 Park, and Kirk Douglas Hall. Some triples have bathrooms.

4 person groups – may select a 4 person suite in Jencks, a quad, or a 4 person block. Four person suites consist of two double rooms, a bathroom, living room and kitchenette (We anticipate there being two available). Quads may be available in Dean Eaton and Sykes. 4 person blocks may be available in 13 University and Hulett and consist either of 2 doubles or a double and 2 singles. Specific rooms will be designated as blocks by Residence Life.

5 person groups – may select a 5 person suite in Hulett or Jencks or a 5 person block. Some suites consist of one triple and two singles and others consist of one double and three singles. All have bathrooms, living rooms, and kitchenettes. We anticipate there being six 5 person suites available. Blocks may be available in Sykes, Dean Eaton, 13 University, Hulett and Jencks and consist of various combinations of doubles and singles. Specific rooms will be designated as blocks by Residence Life.

7 person groups – may select a 7 person suite in Hulett or Jencks. We anticipate there will be eight suites available. Each consists of a double, a triple, and two singles along with a bathroom, living room and kitchenette.

Since placement is based on an averaged lottery number, groups cannot be increased or decreased in size by applicants after submitting an application. Because placement is based on an averaged lottery number, all members of a multiples housing application must accept the housing assignment. If one student declines, the entire group must decline and continue on in a different room draw process.
