What did we do?
- Through the use of classic toys (blocks, trains) we helped to promote development.
- These toys struck curiosity in the children helping them to understand and learn concepts of the real world.

Experiences
- Being constantly self aware in a new environment.
- How to tend/react to infants.
- Responsibility.

Personal Growth
- Gained respect for authority.
- More comfortable around kids.
- More comfortable in new environment.
- Communication skills.

Mission Statement
“all children need a nurturing, safe and healthy environment to grow and develop. With the opportunity to grow in an environment that provides a well rounded daily routine and promotes and stimulates physical, social, emotional and intellectual development. We believe children learn best through well planned developmentally appropriate practices which include a balance of child initiated and staff oriented activities.”

Subsidized Day Care
Many families receive assistance with subsidized daycare through the Child Care Unit at the Department of Social Services.

Ages
We provide that environment for children 6 weeks to 12 years of age.
- Georgia/Noah - 1-2 years
- Rachael - 1
