Is anyone in the group a Greek member? Please list anyone who is and what sorority/fraternity they belong to. The Student Handbook states that, “Fraternity or sorority members may not reside in a location other than their chapter house if their house is not full” (p. 30). Please have the Housing Coordinator and President sign below to indicate that they are aware of your intention not to live in the house. However, if the chapter house is not full, you will be held to the policy in the Student Handbook requiring you to live in your Greek house.

Is anyone in your group applying to study in an abroad or off-campus program for Fall 2016? Yes ___ No ___ If yes, who and what program(s)?
(Class of 2017 students who are studying abroad in Fall 2016 may apply for senior off campus status with a group even if they are not sure yet if they will be going abroad.)
Student Conduct History
Each applicant should note any student conduct violations, the semester, and the consequence (sanction) of that violation. The committee will review student conduct history for each applicant, looking particularly at frequency and severity of violations. **If you apply as a group, the entire group must pass the judicial check in order to have a chance of being selected.**

Citizenship Questions
Please answer the following questions to help Residence Life determine your eligibility for Senior Off Campus Status. Think and express yourselves creatively. A resume in sentence form is not sufficient. You should attach your answers on a separate sheet of paper (a total of 3 pages at 12 pt. font is the maximum length). If you are applying as a pair or group of three, you may answer the questions together.

1. Why are you interested in living off campus your senior year?

2. As a four-year residential university, very few students at St. Lawrence University live off campus. How will you maintain your connection to the campus community if you live off campus?

3. Being part of the larger Canton community comes with great responsibility. What does being a good neighbor mean to you? What lifestyle changes do you anticipate making in order to be a responsible off campus resident?

Selection Process Information

- Based on your application and judicial history, Residence Life will select 15-20 students to live off campus for their senior year.

- You will be notified of your status by email on Thursday, December 17th.

- **Do not sign any lease until you know if you have been approved for off campus status.** Also, when looking for a rental please be aware of village code and zoning laws (in most neighborhoods, no more than 3 unrelated individuals are permitted to live in the same house).

- If you are approved to live off campus, you will then be required to attend an informational meeting at the beginning of the spring semester (date and time tbd) where we will cover topics such as behavioral expectations, as well as Village code and zoning.

- You will then need to decide by January 28, 2016 if you want to accept the opportunity to live off campus. If you accept, you will provide us with your off campus address and will not be allowed to participate in any on campus housing selection processes (townhouses, themes, room draw, etc.). If you decline, you will need to select housing through one of the on campus processes.

I hereby authorize Residence Life to review, verify and discuss any of the information that is contained on this application. This authorization is granted because I would like to be considered for off campus housing my senior year. I understand that it is my responsibility to contact the Financial Aid Office to determine if residency off campus will impact my financial aid package.
