## **ST. LAWRENCE UNIVERSITY**

### **Summer Residential Statement of Obligation**

As a student enrolled at St. Lawrence University for Summer Session, I understand that I am expected to reside in University housing and participate in the meal plan. I also agree to read and comply with all University policies set forth in the *Student Handbook* including the following:

**RIGHTS RESERVED TO THE UNIVERSITY:** I understand that the Board of Trustees reserves the right to make changes in the room and board fees as may be necessary to maintain efficiency of the University. I also understand that the University reserves the right to make changes in room/residence hall assignments, and to change or alter living arrangements in its residential buildings when determined appropriate. I understand that I may be required to move for reasons, among others, pertaining to health, safety, and primary rights of occupancy.

**MEAL PLAN:** If I am housed in the residence halls, cottages or University-owned Greek houses, I will participate in the board plan and take meals in one of the University dining units, unless otherwise granted permission by the Director of Dining Services. (Note: meals do not begin until May 27<sup>th</sup>.)

**DATES OF OCCUPANCY:** I understand that I must vacate my room during official vacations or recesses. At the end of a session, I may occupy my room up to 24 hours after my last scheduled exam or until the official stated closing time of the residence hall, whichever comes first.

**CONTRACT OF OCCUPANCY:** If assigned to a room other than a single, I understand my room may be filled to designated occupancy. If a vacancy should occur in my assigned room, I agree to accept a new occupant to fill the existing vacancy, should use of that space be necessary.

I agree that the University's residence room assigned to me is for my use only, and that I will use it as a place of residence only. I understand that this right to use a room does not create or constitute an interest or right in real property, and that my occupancy can be terminated at any time by the University for cause. I further understand that I am not permitted to assign or otherwise transfer my right of occupancy or any portion of my assigned room space to any other person.

**ROOM AND BOARD CHARGES:** The room and board charge will be \$1115 for summer session (no weekend meals).

**PERSONAL PROPERTY:** I understand that I assume all and sole responsibility for loss of or damage to my personal property, the personal property of my guests or invitees and/or personal property in my custody (including personal property kept in my room, any storage area, or elsewhere on campus) and for personal injuries sustained by me or by any of my guests or invitees in or about my room or other areas in or about the University's residence facilities caused by any reason, whether that loss, damage or personal injuries is caused by me, the University's actions or inactions, third parties, or otherwise, unless caused solely by the intentional or grossly negligent actions of the University. I understand that the University does not otherwise assume any responsibility for any such loss or damages or personal injuries regardless of the circumstances. I also understand that the University has no insurance coverage protecting my property. I agree that I will make no claim (nor will anyone make any claim on my behalf, or on behalf of any of my guests or invitees) against the University as a result of any such loss or damage or personal injuries unless caused solely by the intentional or grossly negligent actions of the University. I further acknowledge that I have been encouraged to obtain insurance coverage if my property is not already covered under a parental policy.

**COLLEGE PROPERTY AND DAMAGES:** As a member of the college community, I am responsible for all college-owned items in my assigned space and agree to accept financial responsibility for room condition, and damaged or missing items. I agree to follow appropriate checkout procedures when I vacate my room. When damage occurs within my individual residence and the responsible party is unknown, costs may be divided among building residents.

**ENTERING STUDENT ROOMS:** The University reserves the right to enter a room when there is reasonable cause to believe that the health, welfare, and security of any person or property is endangered or as otherwise may be provided in the *Student Handbook*.

**EQUAL OPPORTUNITY:** Consistent with University policies, housing assignments are made without discrimination by reason of race, sex, religion, age, sexual orientation, or national or ethnic origin.

**HOUSING DISCIPLINE POLICY:** Failure to abide by University or residential regulations may result in judicial intervention, residential relocation, or the revocation of the housing agreement. Particular emphasis will be placed on measures insuring health, safety, and primary rights of occupancy. See the *Student Handbook* for specific policies.
