In other words, if the student and spouse filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. If 2023 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a **2023 IRS Tax Return Transcript(s) or a SIGNED copy of the 2023 income tax return and applicable schedules.**
