

Department of Mathematics, Computer Science, and Statistics
Mathematics and Economics Combined Major

A combined major in mathematics and economics requires 16 units.

Requirement Checklist:

Mathematics

- Math 135 - Calculus 1 _____
- Math 136 - Calculus 2 _____
- Math 205 - Calculus 3 _____
- Math 217-Linear Algebra _____
- Math/Stat 325 Probability _____
- Math/Stat 326 or Stat/Econ 343 _____
- Math 300+ _____ Math 280 counts
- Math 300+ _____

Economics

- ECON 100 – Intro to Econ _____
- ECON 251 – Micro _____
- ECON 252 – Macro _____
- ECON/STAT342 – Econometric _____
- ECON 344 – Math Econ _____
- ECON 200+ _____
- ECON 300+ _____
- ECON 300+ _____

Fall 20 ____	Spring 20 ____	Fall 20 ____	Spring 20 ____

Students considering graduate work in economics are strongly encouraged to take MATH 305.
