

## Petition for HCC Re-Interview or Recommendation Letter Update

Name:

Date:

Class year (junior, etc):

Career interest:

**Please select one of the two options below that best fits your petition request and complete the accompanying question.** HCC Co-Chairs Drs Heckman and Kring will evaluate your petition and respond within 48 hours (weekdays) to approve or clarify your request. For both re-interview and letter update options, additional forms are required which will be explained in the HCC Co-Chair's response email.

☐ I would like to re-interview because I feel that experiences and/or additional references since my last HCC interview are of a substantial nature and have included at least one of the following:

- change in rationale for my career path and/or long-term goals
- significant shadowing or other hands-on healthcare experience that has impacted my understanding of my chosen career
- academic, extracurricular, or paid experience that has impacted my understanding of healthcare (examples: study abroad, CBL course, research project, internship, volunteering)

Please briefly list these experiences and/or references AND provide a 4-5 sentence overall explanation of how these have impacted your career rationale or understanding.

☐ I would like to have my HCC letter updated, since my additional experiences and/or references are relevant to my application, but do not represent substantial changes to my preparedness or rationale for professional school.

Please briefly list the experiences and /or references you would like to be added:
