Relationships Among the Groups Involved in the Middle States Review Process

Middle States Commission

Chair Middle States Steering Committee

University President Dan Sullivan

Middle States Steering Committee

Steering Committee:
- Develops and coordinates the self-study in collaboration with the University Community
- Organizes working groups
- Compiles and edits the final Report

Working Groups:
- Committees of University Community members that are co-chaired by a member of the Steering Committee
- Develop and answer questions of self-study concerning the 14 standards of excellence recognized by the Middle States Commission (Each group will work on 1-3 standards)
- Submit a written section of the final report to the Steering Committee

University Governance System
