

**Van Horne St. Lawrence County Postcard Collection 1898?-2007**

**MSS #184**

**.75 linear feet**

**Biographical**

Otis Van Horne is a resident of Canton and a retired professor at Canton ATC. Over a period of several years, he became interested in collecting vintage postcards of St. Lawrence County and the Canton area. The postcards were purchased through local dealers and at various auctions.

**Scope and content**

The collection consists of approximately 450 photographs and lithograph images dating from before the turn of the 20<sup>th</sup> century to the 1960s. The cards are kept in three different binders with two of the binders containing mostly postcards of scenes, landmarks and streets of towns other than Canton. The third binder is almost exclusively postcards of the town and village of Canton. One of the binders contains a series of photos from "War Maneuvers" that were staged in St. Lawrence County in 1940. Many of the post cards were produced by D. P. Church's \$5 Photo Company of Canton. Other sources include Empire Novelty Co., Potsdam; A.E. Kerr; Eureka Post Card Co., Wilmington, Del; Valentine & Sons, NYC.; Betty Steele Photography; G. W. Morris, Portland, ME; Hallam and Vesty, Alexandria Bay, NY and many others.

**Provenance**

The collection was donated by Otis Van Horne in November of 2013.
