

Department of Mathematics, Computer Science, and Statistics
Mathematics Minor and Statistics Minor

A minor in both mathematics and statistics requires 10 units. The requirements for both minors must be met and only **Stat 113** and **Math/Stat 325** can count toward both.

Requirement Checklist:

STAT 113-Applied Stats _____
 MATH/STAT325-Probability _____

MATH 135-Calculus 1 _____

MATH 136-Calculus 2 _____

MATH 205- Calculus 3 _____

MATH 200+ _____

MATH 300+ _____

STAT 200+ _____

STAT 200+ _____

STAT 200+ _____

Note: CS 140 may count as a MATH 200+

For STATS minor: At least 1 STAT 200+ must be STAT XXX; ECON 200, ENV 323, PSY 205, and SOC 301 count. Other courses from outside the department which include a substantial stats component may also count towards the minor.
